

*Herring #6: Although personally pro-life, I do recognize each persons right to choose. Also, I have seen much suffering by loved ones and support euthenasia to help ease suffering and quality of life.

*Hilkeman #13: I am opposed to Obamacare. I'm undecided as what our best options are to deal with the program.

*Baker #13: Probably this type of ruling must come from the judicial branch vis a vis State Legislature.

Nebraska Eagle Forum sends a survey to every candidate for State Legislature. If the survey is not returned by deadline, a "Did Not Respond" is put by the candidate's name. Nebraska Eagle Forum representatives interview candidates to clarify a candidate's position as needed. Input from members of our local Chapter network around the State may also be of assistance. Criteria for a Nebraska Eagle Forum endorsement includes a returned survey and agreement with major principles on the survey. Concurrence with Nebraska Eagle Forum's position on every survey question is not required for an endorsement.

With incumbents or individuals who have prior voting records that are conservative and have been supportive of the Constitution, such items are also taken into consideration.

Individuals endorsed by Nebraska Eagle Forum have been highlighted in yellow.
